Your measurements  
(in centimeters)

Waist

Measure the narrowest part of your waist.

Hip

Measure the widest part of your hip.

### TIPS:

- Order your garments based on your largest measurement.
- If you are unsure of your jacket size order the size that fits you best in the shoulders and wear the jacket unbuttoned.
- For shirts and tops base your order on your bust measurement.
- For skirts order according to your waist measurement and alter the hips if needed. (If your hip measurement is two sizes more than you waist measurement you may need to go by hip size)
- Trousers should fit you well in the hips so order your hip size and alter the waistband to fit.
- When ordering a dress go by your bust measurement. (If you are fuller in the hips by two sizes or more go by hip size)
- Ring our customer service team if you have any questions or are unsure of which size to order. (NZ 0800 161 614, AUS 1800 141 058)
